<https://yadi.sk/i/OAw0iL3zXD0C9Q>

1. Information and table of content
2. 2-ethylhexyl oleate
3. 2-ethylhexyl stearate
4. alaplast (soap plasticizer)
5. antal (soap plasticizer, antioxidant and softener)
6. cetylstearylolate
7. cetylstearylsuccinate
8. cocoglucoside
9. cocoglucoside glycerylolate
10. DEG oleate
11. DEG stearate
12. emulsifying wax
13. glyceryl oleate
14. glyceryl stearate, PEG -100 stearate
15. glyceryl stearate
16. glyceryl stearate citrate
17. PEG-400 oleate phosphate (acid)
18. PEG-400 oleate phosphate (neutral)
19. PEG-400 oleate
20. PEG-400 stearate
21. pentaerythrityl oleate
22. pentaerythrityl distearate
23. polyglyceryl isostearate
24. sorbitane stearate
25. sorbitane laurate
26. sorbitane oleate A
27. sorbitane oleate N
28. stearyl stearate
29. TEG oleate
